# *Interested in a Career as a Feng Shui Consultant?*

Considering a career change, part time or full time?  
Perfect career for being active in retirement!

Enjoy problem solving?

Like to help people?

**TWO Feng Shui professionals** brought their unique talents together and created a powerful Feng Shui school. A school that truly gives a student the tools to get clients, enjoy their lives, and to succeed!!

Not all Feng Shui consultants are members of the **International Feng Shui Guild** (we are!!)

Even fewer are approved as “**Red Ribbon Professionals**” (we are!! – which is the highest rank)

And not all schools that certify Feng Shui consultants nationally are considered to be “**Gold Standard**” (we are!!!)

Our training is more personal and more affordable!

The “**Red Ribbon Professionals**” who created this school, the curriculum, and are your trainers....

Steve Kodad

Lisa Alban

The **Intrinsic School of Feng Shui** exceeds the number of hours deemed necessary by the International Feng Shui Guild to be called a Gold Standard School.

Our school supplies **42 hours** of intensive training for certification! This school is based on the oldest school of Feng Shui (**FORM**) and the popular western school, **BTB** or “Black Sect”. A person becomes certified in **7 weeks** attending a series of live interactive webinars and videos from the comfort of their own home.

Due to the Coronavirus epidemic, we are offering this class completely online beginning on **July 8**

**We also offer a self-paced class with Lisa which you can begin at any time and finish at your own pace!!!**

**We want to make sure you succeed!**

Few schools will show you how to set up your own successful business like us. THIS is an important difference of our school!
